Youth

employABILITY Program CONNECTING YOUTH AND WORK

A FREE employment program for youth aged 15 to 30 that provides skills, training, and supports to land a job in the local labour market.

Participants are paid while attending virtual and in person workshops, and during their participation in a quality employment opportunity (work placement) with a local employer!

WHAT DO WE OFFER

- The Youth employABILITY Program is an 8-week program, combining 4 weeks of \$PAID workshops and training with up to 4 weeks of \$PAID work experience with one of our local employer partners
- Virtual and in-person workshops including: interview skills, resume & cover letter preparation and a variety of topics to help you find and keep a job
- Short-term certificate training to get noticed by employers and improve your employability
- Ongoing one-on-one support from our youth employment services team to support you in achieving your employment goals
- \$\$\$ Completion bonus available \$\$\$

ARE YOU ELIGIBLE?

- Ages of 15-30 (inclusive)
- Canadian citizen, permanent resident or protected person status
- Eager to gain new skills, acquire work experience and land a job!
- In need of support and assistance to develop employment readiness and overcome various barriers to employment, including those with a disability or belonging to a marginalized and racial-ethnic group
- The Youth employABILITY Program is NOT suited to youth taking a break from school and who will be returning back to school full-time upon completion of the program
